

Concert Band Grading Policy

Teacher: Anna Perkins

Email: anperkins@sjcoe.net

Two Grades will be given each trimester:

Participation Grade -

Rehearsals – Students will receive 5 points each week. A deduction of points will result from each of the following:

1) Each un-excused absence will be a loss of 1 point

2) After 3 tardies there will be a loss of ½ a point for each tardy that follows

It is the student's responsibility to let the teacher know if they are sick or on vacation etc.

Assignments Grade -

Practice Records – Students are required to practice 120 minutes (2 hours) a week outside of class and it is worth 10 points. Students may also practice for more than 2 hours and receive extra credit. If a student practices for 3 hours they will receive 15 points and the extra points can go towards missing practice records or participation grade. Practice records are due every Monday.

Playing Test – Throughout the year the students will be given different scales and parts in the music to practice outside of class. These assignments will be given to the students in class. These tests will be worth 25 points.

Performance Policy – Unless otherwise stated, all performances are mandatory. Winter and Spring concerts are worth 100 points all other performances are worth 50 points. Any missed performances may be made up by the completion of a research paper assigned by the band director and completed by the student within 5 days of the missed performance.
